2017 SCHOLARSHIPS

RULES AND REGULATIONS

Our internal competition for the award of scholarships for merit will be held once again this year.

The competition is divided into three sections:

- Coccinelle, for students who at the time of the competition have not yet turned 12
- Regular and Bachelor courses, for all students who are aged 12 and over
- Post-graduate courses, for all students enrolled in Post-graduate Courses.

Professors must submit participation forms for their students to the Academic Office by the following deadlines:

- Coccinelle: **4 March 2017**
- Regular, Bachelor and Post-graduate courses: **18 March 2017**

The forms must include the programme as well as name and surname of accompanist, if utilized. They can be presented physically on paper or by email: segrdidattica@scuolamusica.fiesole.fi.it.

Each class may name a maximum of 3 students.

Coccinelle

Those participating in the Coccinelle category will compete on one day only: **22 March 2017**.

At the end of the competition, the Jury will award the Coccinella d'oro (Golden Ladybug) prizes (the top 3 winners will be awarded a discount of 10% on their tuition fee) and Coccinella d'argento (Silver Ladybug) prizes.

Regular Courses

Soloist participants will be divided into four groups, which correspond with their levels of study: **Basic, Intermediate, Advanced and Bachelor's**.

Group participants will be divided into **Pre-academic and Bachelor's**, depending on the course in which the majority of the group is enrolled. In the event of a tie, the average age of the group will be taken into consideration. Those with an average age of 16 years will participate in the Pre-academic Section, those with an average age exceeding 16 years will participate in the Bachelor's category.

Everyone will participate in the competition held on **6 April 2017**. Each soloist or group will have a maximum of 20 minutes to perform a programme of their choosing that highlights not only their technical-instrumental strengths, but also their musical growth.

At the end of the competition, the Jury will award scholarships as follows:

Basic Level: 3 scholarships of 200 Euros each

Intermediate Level: 3 scholarships of 200 Euros each

Advanced Level: 3 scholarships of 200 Euros each

Bachelor's Level: 3 scholarships of 250 Euros each

Pre-academic Groups: 2 scholarships of 200 Euros each to each group member

Bachelor's Groups: 2 scholarships of 250 Euros each to each group member

Please Note: those students who win a solo scholarship will NOT receive a second scholarship in the event they are a member of a group which also wins a scholarship.

The top Basic Level winner will perform as a soloist with a School ensemble (*Crescendo* or *Fiesole Harmonie*) the following academic year.

The top Intermediate, Advanced or Bachelor's Level winner will perform as a soloist in concert with the *Orchestra dei Ragazzi*.

All winners will have the opportunity to participate in concerts held by the School.

The top three ranked in **Regular Courses** and the top three ranked in the **Coccinelle** will then participate in the **Winner's Concert** to be held **21 April at 18h00**.

Post-graduate courses

The post-graduate course competition will be held **7 April 2017**.

Each competitor will have 30 minutes in which to perform a programme which includes an étude or a work for solo instrument of adequate technical difficulty as well as the first movement of a sonata or concerto. Inclusion in the programme of a short work composed after 1950 would be appreciated. All candidates must present the jury with the scores of the programme pieces directly before the performance.

At the end of the competition, the Jury will award scholarships as follows:

5 scholarships of 1500 Euros each total, in the case of soloists as well as in the case of groups.

The top three ranked in **Post-graduate Courses** will then participate in the **Winner's Concert** to be held in **July 2017**.

Those soloists and groups who won a scholarship the previous year or who have already been awarded a scholarship for the 2016-17 academic year cannot compete in the same category. Those students who are not in good standing with their current course payments may not participate. Those students who have gone beyond their third year of Post-graduate courses and those students who, when asked by the School, have not given consent to participate in orchestral productions as provided for in the Course Rules and Regulations may not participate. One or more members of a new group, as well as those who compete in a different category (Coccinelle who have advanced to Pre-academic/Regular courses or Bachelor's students who are now Post-graduate students) may, on the other hand, participate. Professors, students and families are urged to attend all competitions. It is very important for the young musicians to have the support of an audience aware that this is an event which involves our entire School.
