TIROCINIO FORMATIVO:

The internship takes place in the library of the Scuola di Musica di Fiesole with the goal of learning to use the principal instruments of investigation and research in a music or musicology area through the knowledge of specific bibliographic instruments (repertoires and dictionaries) and the diverse typology of music present in the library (practical and critical editions, complete works, facsimiles and urtext, revisions and transcriptions). The student will furthermore learn the methods of recovering musical sources from the principal national and international libraries and will participate in daily reference activities specialized in the management of a music library.
