Degree thesis filing procedures: management of delivery, conservation and consultation of the thesis

The procedure relating to the computerized management of delivery, conservation and consultation of degree theses presents some delicate aspects, in matters of protection and conservation, as well as the consultation and possible circulation of documents.

The guidelines are as follows:

- a. The delivery of the thesis to the Library of the Scuola di Musica di Fiesole must be made by filing one hardcover-bound paper copy.
- b. You must also attach to the hardcover-bound paper copy one copy in digital format. The file, possibly prepared with known operating systems (MS-DOS, Windows, Macintosh, UNIX, etc. ...), must be delivered using optical / digital methods (CD Rom, DVD);
- c. The digital file containing the thesis must be in pdf format.
- d. The file must be marked with the given name and surname of the candidate and the year of thesis presentation.
- e. Together with the copies, the candidate must submit the following completed and signed form.
